# Lions Club of Byculla

CELEBRATING 50 YEARS OF SERVICE  
1977 – 2026

## Application For Membership

An invitation to join a legacy of service and fellowship

“Where there’s a need, there’s a Lion.”

CONFIDENTIAL . FOR CLUB USE ONLY

Objectives

To create and foster a spirit of “generous consideration” among the people of the world through a study of the problems of international relations.

To promote the theory and practice of the principles of good government and good citizenship.

To take an active interest in the civic, social and moral welfare of the community.

To unite the members in the bonds of friendship, good fellowship and mutual understanding.

To provide a forum for the full and free discussion of all matters of public interest, partisan politics and sectarian religion alone excepted.

To encourage efficiency and promote high ethical standards in business and professions; provided that no club shall hold out as one of its objects financial benefits to its members.

Code of Ethics

To show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To seek success and to demand all fair remuneration of profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor, and means.

To aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To be Careful with my criticism and liberal with my praise; to build up and not destroy.

About Lions Club of Byculla

Lions Club of Byculla (LCB) is a chartered member of Lions Clubs International, USA, formally chartered on 24th June 1977. Registered as a Trust under the Bombay Public Trust Act, LCB also holds registrations under the Income Tax Act, CSR, and FCRA, reflecting its standing as a credible and accountable institution.

The club is governed by Trustees and a Board of Directors, and functions on the twin pillars of Service to society and Fellowship. LCB places great emphasis on strong administration alongside grassroots service — with members personally contributing to and actively participating in every project we undertake.

As we proudly mark 50 years of unbroken service (1977–2026), our commitment to the society remains as strong as ever.

About Lions Clubs International

Lions Clubs International was founded on 7th June 1917 in Chicago by Melvin Jones, a businessman who asked a simple yet powerful question: “What if people put their talents to work improving their communities?” The organisation went international in 1920 and received its defining mission in 1925 when Helen Keller challenged Lions to become the “knights of the blind,” launching a century-long commitment to eye care and humanitarian service.

Lionism came to India in 1956 with the founding of the Lions Club of Bombay Host by Lion Noshir Pundole. India is home to nearly 8,500 clubs and 2,90,000 members, the second-largest Lions nation in the world.
